Rev. C.C. Weathers  
Washington & West Kinney Sts.  
Newark N.J.

Dear Sir:

This is my second letter to you seeking assistance in trying to get a young man named Davis, who is at present paroled in the custody of Mr. Henry Bozzi of 135 S. Ferry St. Schenectady N.Y., transferred to Newark so he may become a member of The Newark Eagles Baseball Club. Since talking to you last I have proceeded to find a home for him. He will be very fortunate to be in the care of the person who has consented to take him.

The party is Mrs. Rosamond Stewart address 158 Littleton Ave. Newark N.J. Mrs. Stewart is one of our most highly respected citizens, and has consented to take the boy, partly as a civic gesture, and partly out of freindship for me.

The season is well under way and I would like very much to get him as soon as possible so he will help the club.

Thank you very much for your cooperation.

Very Truly Yours
